# Fatima House: a place to call home

Fatima House is a place of sanctuary for vulnerable female asylum seekers who would otherwise face destitution and homelessness.

Providing a friendly welcome and a place of support, it offers hope to women who have encountered violence, persecution and loss. It is a place of safety in which to start again.

Fatima House offers a nurturing community and sense of home as the women are helped to move their lives forward.

**With your help, Fatima House can support vulnerable women through the most difficult times**
