

Matched giving

Matched giving (also known as match funding) is a great way to increase employee engagement, by showing support for the charities they care about. By matching the money raised by employees on a £1 for £1 basis, companies can make a great difference to their fundraising efforts and, in turn, help improve the lives of vulnerable people in society.

You could get involved in a number of ways:

- Matching individual and team sponsorship.
- Matching the amount donated at a fundraising event.
- Matching personal employee donations to a charity.

By supporting Father Hudson's Care through matched giving, you will enable us to transform people's lives when they need it most:

Children and young people find a listening ear and a helping hand in our Family Support Workers, or a loving home through our New Routes fostering service. Adults affected by a childhood separation from their family of origin find support and answers through our Origins Service.

People with disabilities, sensory impairments or learning difficulties find the care, understanding and support they need to live life to the fullest at St Vincent's apartments, in the community, and in St Catherine's Bungalows and Day Service. Older people and those living with various types of dementia find a home from home in St Joseph's, a residential community in Coleshill, North Warwickshire.

Homeless people find their strengths recognised and feel empowered to make a fresh start, refugees and asylum seekers grasp the hand of welcome, and frail older people feel isolated no more thanks to Father Hudson's Care and its community partners.

If you would like more information, contact fundraising@fatherhudsons.org.uk.
