Welcome

Thank you

Thank you for signing up to our Snowdon Sunrise challenge. We're very grateful that you've chosen to raise awareness and funds for Father Hudson's Caritas. With your support we can continue to reach out to those in need across our five themes:

Homelessness

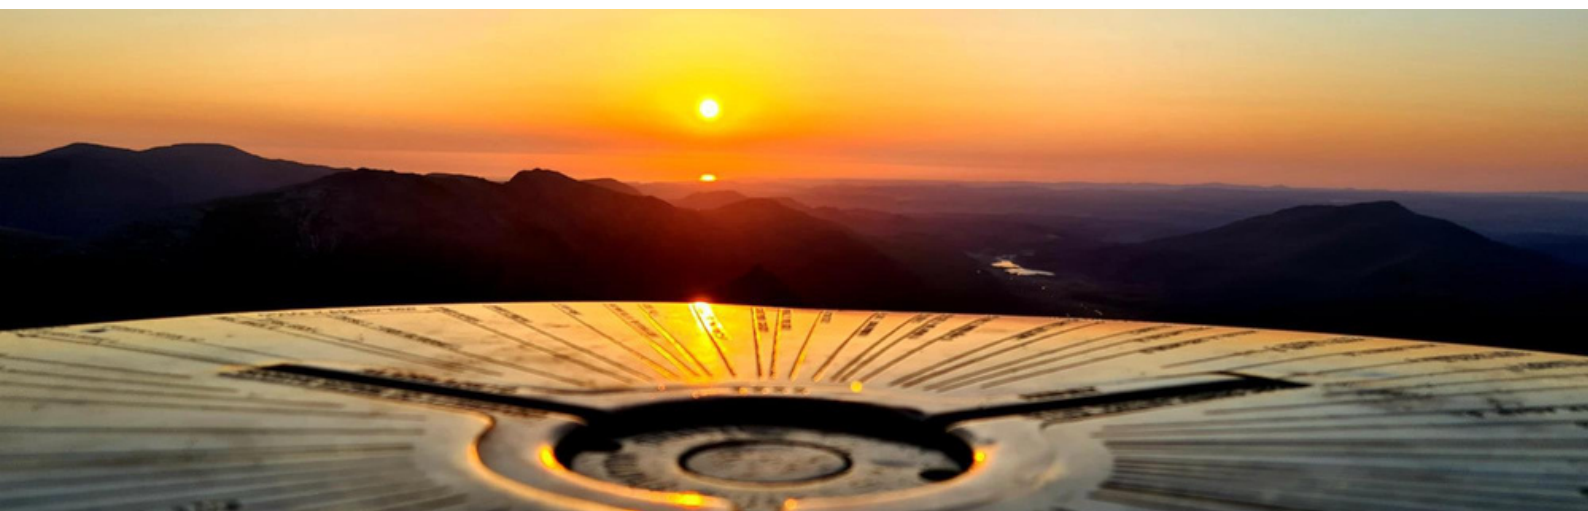

Disability

Refugees,
Asylum Seekers,
and Migrants

Older People

Children,
Families
and
Schools

With your help our team can be there to provide a warm welcome, a safe place to stay, activities tailored to a person's needs, advice, dinner and a game of bingo and support through difficult times.

About us

Services/Projects

Homelessness

Tabor Living and **Fatima House** provide a safe home and support for people who have experienced homelessness or who are vulnerable. We work with our tenants and guests to develop the skills and confidence to live independently.

Disability

Our Disability services, **St Catherine's Bungalows**, **Coleshill Day Services** and **Domiciliary Care and Supported Living** provide support based on an individual's needs while maximising their choice and enjoyment of life.

Refugees, Asylum Seekers and Migrants

Our **Brushstrokes Community Project**, **Sophia House**, **Nicolas Barré House** and the **Ukrainian Refugee Hosting Project** 'Welcome the Stranger' supports people to feel safe and secure as they settle into life in the UK.

Older People

In **St Joseph's Care Home** we care for older people and those with dementia, offering a range of engaging activities and responsive care. Our **Young at Heart** project builds communities and reduces loneliness for over 50s in North Staffordshire, through lunch clubs and social activities.

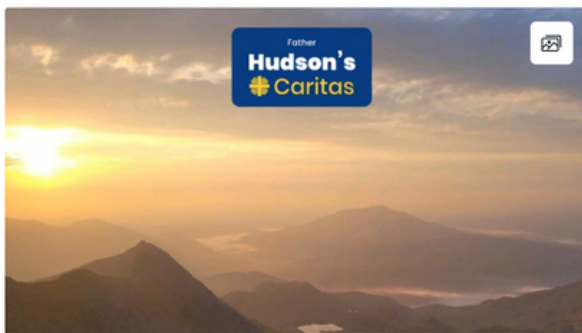

Children and Families

New Routes Fostering recruits, trains and supports foster carers to provide a secure, happy environment for children in need. Our **Family Support Service** gives whole family support through times of difficulty. **Origins** helps a person find out about their family of origin and supports them with the emotional impact.

Fundraising tips

1

HEY BIG SPENDER!

Get your biggest or most generous supporter to donate first and get your fundraising started. It'll give you a boost and encourage others to give.

2

GET SOCIAL

Share your fundraising campaign on social media with a link to your JustGiving page to encourage donations. Tag us in!

3

THE MORE THE MERRIER!

Share the experience with someone else – see if anyone else wants to walk Snowdon with you, or ask family and friends to cheer you on the day.

4

WORK, WORK, WORK

See if your employer will match the donations you raise. This will double your fundraising at no cost to you or your supporters.
